

2024-2025 Off-Ice Harness Information

Off-ice harness lessons will be at the Meadows Recreation Centre, upstairs near the Rink Viewing Area.

New to the 2024-2025 Season:

We will be offering off-ice harness lessons with pre-purchased 'Passes' this season.

Passes available are \$40 and \$70 packages for all categories (Jr, Int, Sr, O12), for 40 or 70 minutes of off-ice harness lessons.

- Junior skaters will receive 5-minute lessons
- Intermediate/Senior/O12 skaters will receive 10-minute lessons.

These passes will not expire and can be carried on to the next season if there are minutes unused.

Scheduling

A schedule will be sent out at the beginning of each month, to those that have purchased an off-ice harness pass.

These will not be physical passes. Lessons will be tracked by the coaches and submitted to the club. If you need an update on how many minutes you have left, please reach out to contact@gatewayskatingclub.org, otherwise, skaters will be notified with a reminder slip when they have 2 lessons remaining.

A new pass will need to be purchased before added to the schedule.

Off-Ice Harness 2024-2025

We have now added a \$40 option as well as the \$70

Note:

Last season, skaters were charged a private lesson for each off-ice harness time they had. This season, the \$40 or \$70 will cover those costs so you will not see a separate charge for your off-ice harness lessons
